A woman with dark hair, wearing a light-colored, possibly white, dress, is sitting on a plush, green tufted sofa. She is looking down at her hands, which are resting on her lap. The room has a large, dark green door behind her. The wall to the left of the door is covered in various taxidermy specimens, including a large stag head with prominent antlers, a smaller animal head, and several birds. The floor is a dark, textured material, possibly stone or concrete. The overall lighting is somewhat dim and moody.
